So I know this is really late and I'm sorry I didn't have time to focus on this earlier. I've been muddling it over and I recognize I wasn't super articulate in our meeting earlier. I have some comments on the paper which I suppose we could just use to inform our conversation with David tomorrow. I know Steve Ex. 6 Personal Privacy (PP) but I'm cc-ing him in case he might see this and has thoughts. I'll summarize what I'm working through.

1)

2)

Ex. 5 Attorney Client (AC)

3)

4)

Ex. 5 Attorney Client (AC)

5)

I know the plan tomorrow is to present the issue and say we're working through it, but I think there's a lot more to discuss.

Thanks and again sorry it's so late in the day.

Subject: Revised FL ESA paper

All,

Attached please find a significantly revised paper for our 9 am briefing with David F. tomorrow. I would like to send it to him shortly after 4 pm, so **if you have the time and desire to comment before this goes to him, it would be great if you could send comments by 4.**

If you have comments you'd like to share after 4 pm, please share, and we will accommodate them orally or with an updated version of the paper tomorrow at 9.

I sincerely apologize for the short turnaround.
